Praise for *Your Leadership Moment*:

“Democratizing leadership...offers hope for healing a fractured nation.”
—**Roger Sorkin**, award-winning producer & executive director of the American Resilience Project

“...[a] pragmatic and systemic, yet human-centered, approach to leading adaptive change.”
—**Dr. Sarah Elaine Lewis**, senior director for innovation at The Sustainability Consortium

“Each of us has the potential for a leadership moment. Reading this book will help you find yours.”
—**Dr. Marty Linsky**, faculty at Harvard Kennedy School and author of *The Practice of Adaptive Leadership*

About the *Your Leadership Moment*:

Eric R. Martin, a prominent leadership expert, makes it clear in this book: you're bound to face leadership moments every day. **The question is, would you recognize a leadership moment if it came your way... and would you know what to do when it did?**

Your Leadership Moment brings this question to life for both novices and advanced leadership practitioners alike. Through poignant stories of both success and failure, **you learn what's possible when people discover the capacity and courage to lead regardless of identity, history, or access to power and financial capital.**

Your Leadership Moment is an unforgettable account of the democratizing leadership of three ordinary people leading extraordinary change **all painted on the candid canvas of racism in the author's hometown of Detroit.** It's an exciting **expansion of Adaptive Leadership—an unconventional and provocative leadership practice developed at Harvard University—that can help anyone learn to lead.** It provides practical tools, techniques, and inspiration to discover your own leadership moment. Ultimately, it seeks to leverage leadership moments around the world, adapting our institutions and ourselves to create the more beautiful world our hearts know is possible.

In a time of uncertainty, we need leaders. **Our world desperately needs leaders that will stand up and mobilize to make our world a better place.** For readers that feel stuck on how to move forward, *Your Leadership Moment* gives readers the tools necessary to both empower and strengthen to innovate and become forward thinking.

About the Author

Eric Martin, a Detroit native turned prominent leadership expert, specializes in leadership development and systems change. Eric has served in an **advisor/speaker/leadership trainer** role at: **Acumen, Rockefeller Foundation, Google, Microsoft, Verizon, US Business Council for Sustainable Development, White House Presidential Personnel Office, United Nations Innovation Network, World Bank, Cornell University, Robert Wood Johnson Foundation, The Sustainability Consortium, Democracy Fund, National Academy for Science Engineering & Medicine, Grantmakers for Effective Organizations, National Association for County and City Health Officials (NACCHO), Forum for the Future, LEAD India, Patagonia, USAID and The Aspen Institute.** Previously, he served in various roles at The Synergos Institute, a Rockefeller-affiliated international development organization.
